

MiDAS Minibus Driver Assessments and Training

Where do our courses take place?

We have a professional training facility set up at Morfa Clwyd Business Centre in Rhyl where we carry out both of the courses we offer. Alternatively, we could travel to your premises if suitable!

If you would like any more information regarding our courses please don't hesitate to contact us!

Courses Available

Standard Training (SD) - School mini buses etc.

Accessible Training (AD) - Vehicles with facilities for wheelchair users.

Our price list is available via our website!

What do the drivers get out of this?

Drivers who successfully complete the MiDAS assessment and training program will receive a nationally recognized certificate valid for four years, as well as the option of obtaining the comprehensive MiDAS Drivers Handbook.

Aim of MiDAS

The objectives of MiDAS are that drivers will:

Have driving skills of an acceptable standard.

Be aware of the legal, practical and safety issues surrounding minibus driving.

Be trained in the safe use of accessible minibuses where necessary.

Potential Benefits

Enhances passenger safety

Improves passenger comfort

Increases driver confidence

Reduces driver stress

MiDAS is the minibus Driver Awareness Scheme, organized by the Community Transport Association U.K. (CTA) which promotes a nationally recognized standard for the assessment and training of minibus drivers.

The MiDAS scheme helps improve minibus passenger safety by working with your organization to improve the standard of minibus driving.
